

### Science

We will be studying Animals and Humans. We will be looking at skeletons, and diets

### Maths

We will be learning the place value of numbers up to 1000. We will be calculating with addition and subtraction. We will be starting our Number Ninja challenge!

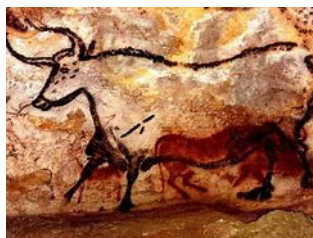

### History

We will be studying the changes in Britain from the Stone Age through to the Iron Age.

### Physical Education

We will be having gymnastic lessons for our indoor PE lessons. We will also be looking at ball skills for our outdoor PE lessons.

## Year 3 Term 1 Prehistoric Britain

### Art

We will be looking at cave paintings and will then create our own. We will make our own paint from natural ingredients and find suitable natural objects to paint with.

### Computing

We will be taking a 'Journey inside a Computer' learning about the parts of a computer and how they follow instructions through role-play.

### English

In English this term we are starting to look at the book 'The Stone Age Boy' by Satoshi Kitamura. Our class reader is The Bolds by Julian Clary.

### Music

Our music for this term will have us reflecting on 'How does music bring us close together?'. We will also be learning how to hold and play the recorder.

### Modern Foreign Languages

In French we will be using puppets to introduce ourselves and say 'hello', 'goodnight' and good bye'.

### Recommended Reads

The 13-storey treehouse by Andy Griffiths and Terry Denton  
The Abominables by Eva Ibbotson.  
The Creakers by Tom Fletcher

### Religious Education

In R.E. this term we will be studying what it means to belong to a faith community.

This term we will be learning how to use

- TTRockstars
- Spelling Shed

### PSHE

Our focus is on 'Me and my relationships' and we will look at looking after our special people and how can we solve problems.
